Veritas Discovery Program Gift Certificate

Give the Gift of Experience This Year! Looking for the perfect gift for the middle schooler in your life?

Instead of more "stuff," why not give the gift of creativity, confidence, and connection with the Veritas Discovery Program Summer Enrichment Camp Experience? This summer, students going into grades 4-9 can explore their passions with hands-on, engaging sessions offered either the week of June 2nd or the week of June 9. With two sessions a day (from 8am-10am or 10am-12pm), your child can discover new skills, make friends, and create memories that will last a lifetime. Gift certificates are \$125 per session and let your student choose the class they're most excited about. It's a meaningful, clutter-free way to encourage their growth and curiosity! Invest in their potential—it's a gift they'll treasure far beyond the summer. A gift certificate will be emailed to you after purchase. To ensure your receipt of the gift certificate in time for Christmas, please make your purchase by 12/22.
