## VDP Week 2, Session 2: I Learned It on TikTok

Join us for an exciting course where students will explore and experiment with popular life hacks, crafts, and trends discovered on TikTok! This hands-on course encourages creativity and collaboration as participants try out a variety of fun and practical projects inspired by TikTok videos. Each day will feature a different theme—ranging from DIY crafts and cooking hacks to organizational tips and beauty tricks. Students will not only get to put these viral ideas to the test but also learn how to adapt and personalize them. By the end of the week, participants will have a collection of tried-and-true hacks and crafts to share with friends and family, along with skills to critically assess and innovate on trends they encounter online. Get ready to unleash your creativity and have fun while learning from the platform that inspires millions!
