

## VDP Week 2, Session 1: Let's Get Lit with Lyrics: Analyzing Literature Through Music and Pop Culture

Ever wonder how your favorite songs connect to classic literature? In this course, we'll explore the powerful relationship between music, pop culture, and literature. Students will analyze song lyrics, music videos, and popular trends to discover deeper meanings, themes, and literary techniques that echo famous books and poems. We'll compare today's chart-topping hits of artists like Sabrina Carpenter, Taylor

Swift, and Zach Bryan to works by Shakespeare, Poe, and other literary legends, exploring universal themes like love, identity, conflict, and justice. Students will create playlists, visual one-pagers, and even present how their favorite songs connect to key literary themes.
