VDP Week 2, Session 1: Digital Art & Social Media Design with Adobe

In this interactive course, students will dive into the world of digital creativity using Adobe's powerful tools. Students will explore the creative possibilities of Adobe Photoshop and Adobe Express to produce stunning visuals for digital art and social media. Each session combines hands-on learning and guided projects, allowing students to master photo editing, graphic design, and social media content creation. This course is designed to inspire creativity and build confidence in using industry-standard tools, culminating in a showcase of their work. No experience required—just bring your creativity!
