

## VDP JR. Week 2, Session 1: Dance is for Everybody!

This workshop is packed with energy, creativity, and fun because dance is not just an art, it is a way to learn about yourself and the world around you while having a blast! In just five days, you will explore styles like hip-hop and contemporary, building strength, rhythm, and musicality. Each day will spark your creativity and problem-solving skills as you dive into new moves and rhythms. Plus, you will collaborate with friends to create a unique choreography, learning to communicate and express yourself while exploring styles from around the world. The week will end with an exciting showcase for family and friends, where you will get to perform the choreography you helped create. Get ready to move, connect, and celebrate what makes you unique!
