Special Notes:

The Comprehensive Basketball Camp is designed for students entering 4th - 9th grades of any school public or private, who are committed to being taught the skills of basketball. All offensive and defensive individual and team fundamentals will be covered as well as stretching routines. Campers will be assigned to a team of 6 to 10 other campers who are of the same skill set. Each of those teams will be assigned a personal coach who will work with their team on the skills learned on each of the days of the camp! We will also utilize fun games and competitions to get the most enjoyment out of the camp! It is our sole purpose to assist your daughter in becoming the best basketball all around athlete possible. We will give your child the necessary tools to develop her attitude as a "winner", "leader", "teammate" and a "competitor". Please wear basketball attire and shoes for the camp. Bring your own water bottle marked with your name on it as well!
